### Latest news:

#### **Emails – please check**

Please ensure you check your emails regularly. We are now sending newsletters and a lot of our correspondence via email only to save on our paper usage. These have dates and deadlines which you need to be aware of. The website will also have copies of newsletters on for your information.

#### **Contact Details - IMPORTANT**

In case of emergencies we must have at least 2 different contact details for each child. Please drop a note into the office if you need to update any telephone numbers. In case of medical or any other emergency we must be able to get hold of someone straight away.

#### **Updated Coronavirus Advice**

If any member of your family or household has a new continuous cough or high temperature that has measured **37.8** or above then you are required to carry out household isolation for 14 days.

Any pupils who develop a temperature during the school day will be sent home and your entire family will need to isolate for 14 days.

**Remember** There are things you can do to help stop germs like coronavirus spreading:

always carry tissues with you and use them to catch your cough or sneeze. Then bin the tissue, and wash your hands, or use a sanitiser gel.

- wash your hands more often than usual, for 20 seconds each time with soap

and water or hand sanitiser, especially when you:

- get home or into work
- blow your nose, sneeze or cough
- eat or handle food
- avoid touching your eyes, nose and mouth with unwashed hands.
- avoid close contact with people who are unwell.

**Each child has received a pack of two weeks work should the school be instructed to close by the Government. If your child has not received a pack please let their teacher know.**

### **Absence/Illness - REMINDER**

If your child is off with sickness and/or diarrhoea please remember they must be kept off school for 48 HOURS after the last bout of sickness/diarrhoea.

### **Return Dates**

Recently we have had a number of parents who have not returned acceptance or permission forms by the due date resulting in children not being able to attend school events and trips. It is important that as a school we have the numbers of children attending events so we can ensure the right ratio of teachers/helpers to children, safeguarding your children.

### **We Need You!**

Do your children enjoy the school discos and other events that we hold at the school?

None of these would happen without The 'Friends' of Heartsease Primary our charity fundraising committee run by parents of

children in the school with a little help from the staff. It helps provide all those little extras that enhance the children's lives in school. More parents are desperately needed to become members of the 'Friends' so if you have some time to spare please let the school office know.

### **Heartsease Healthy Living 2 - Vote for Heartsease Primary Academy Healthy Eating Workshops!!**

Calling all parents/carers it's time to have your say on which activities you'd most like to get involved in, to help get healthy and active this year! There is a leaflet coming home with your children which you can fill in and post them in the box in the school foyer or one of the other places listed on the leaflet. You can also vote online at <https://www.surveymonkey.co.uk/r/RJ2BW78> Voting closes Tuesday 31<sup>st</sup> March.

### **Old Pens and Biscuit Wrappers wanted!**

The eco-council are supporting the Friends of Heartsease Primary to raise money for the school and help the environment. We are collecting old pens and biscuit wrappers. There are boxes in the foyer by the main reception (under the window) and in the school library. Please look at the pictures on the boxes so you know which is for pens and which is for wrappers. Remember, the school continues to collect batteries that no longer work. The collection point is also in the foyer.

To be in with a chance of winning a share of £10,000 worth of gardening products and kits, the School is still collecting tokens for the Plant to Plate gardening project. ### **VegPower 'Eat Them To Defeat Them' campaign.**

One-third of primary school children in the UK are overweight or obese and one of the simple things that can be help with this is for children to eat more vegetables. This six-week campaign is aimed at children to encourage them to eat at least one portion of vegetables a day with the idea that the only way to get rid of vegetables is to eat them! Veg of the week is **TOMATO!**

### **Uniform**

Parents/carers are reminded that dip dyed hair is not part of the school uniform.

Increasing numbers of children are forgetting their PE kit, parents/carers are reminded that PE is not optional and is an important part of the school curriculum. Please note the following:

### **Parking and Vehicles in the School Car Park**

Only parents/carers who have a school parking permit are allowed to enter the school car park (these are only issued on medical grounds, and with prior authorisation from the Headteacher) – everyone else should park well away from the school entrances.
